## PRODUCT LINE

# Conference Audio

At **idea**works, exceptional sound quality is what we are all about

We specialize in acoustic sound reinforcement for all meetings and corporate events enabling crystal clear audio

Our PA Systems are a dynamic combination of UHF Mics with variable frequency, Mixers and Hi End Powered Speakers

We also provide full time operator on regular basis for all corporate events at the venue on our payroll

GALLERIA

## PRODUCT LINE

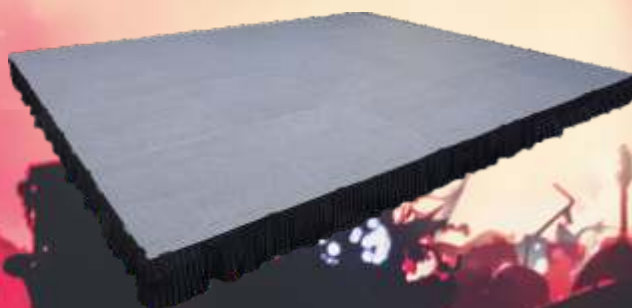

# Stage N Backdrops

At **idea**works, we are the masters of the art

We provide sturdy Stage Platforms in six inches, eighteen inches and thirty inches height variants for performances, conferences award ceremonies and more

We create thematic stage backdrops and skirting with creative visualization and customized fabrication

Our Stage & screen masking combinations are unique in terms of finish and lighting

## PRODUCT LINE

# Projectors & LED Wall

At **idea**works, we provide with hi quality video projection

Working with top of the line brands like Epson, we have redefined video projection with 3300 lumen projectors as basic standard, and 5000 lumen for larger projections

Experience Larger than life Video with pixel perfect LED Video Walls. This is becoming increasingly popular due to its ability to deliver seamless image and video that display the look great from any angle
